| Guarantee/Warranty | BSH Vented British Standard (BS) and DIN Batteries (1500 cycles, 4 years, 3+1) We will replace or repair any cell that due to a manufacturing defect fails to give 80% of the rated capacity shown in 0 |

### British Standard 2 Volt Cells

All our traction battery cells come in 3 formats, British Standard (often seen written as BS) being one of them. These cells are all the same width with multiple height, length & weight specifications to enable a perfect fit for a range of applications.
